CASE NO. C24-1677-KKE

ORDER DISCHARGING ORDER TO
SHOW CAUSE

The Court previously ordered Plaintiffs to show cause why this case should not be dismissed for failure to prosecute, given that months had elapsed since the entry of default against Defendants and Plaintiffs had not moved for default judgment. Dkt. No. 12. Before the expiration of the deadline to respond, Plaintiffs filed a motion for default judgment. Dkt. No. 13. The Court therefore DISCHARGES the order to show cause and will resolve the motion for default judgment in due course.

Dated this 10th day of April, 2025.

United States District Judge
